## Flock-A-Friend

The MPCG FBLA Chapter have adopted a flock of adorable pink flamingos, but they're getting impatient for some sunlight and fresh air after being cooped up in our basement for the past couple of weeks.

Because of this, we have decided to let them help us raise money for our National Conference in Nashville, Tennessee this July!

For the next 8 weeks, we will be accepting order forms, which can be found under the High School Homepage at [www.mayportcg.com](http://www.mayportcg.com), to send a flock of our flamingos to a friend's yard for a nominal fee. That friend will then be able to send the flamingos on to someone else and so on. Our pink friends are sure to get plenty of exercise!

Concerned about having your yard suddenly filled by our flock? Don't despair! Anti-flocking insurance, which will guarantee your yard to be free from our feathery pink friends is available for a fee of \$15 and can also be found on the website.

If you have any questions, comments or suggestions about fun things we can do with our feathery friends over the next

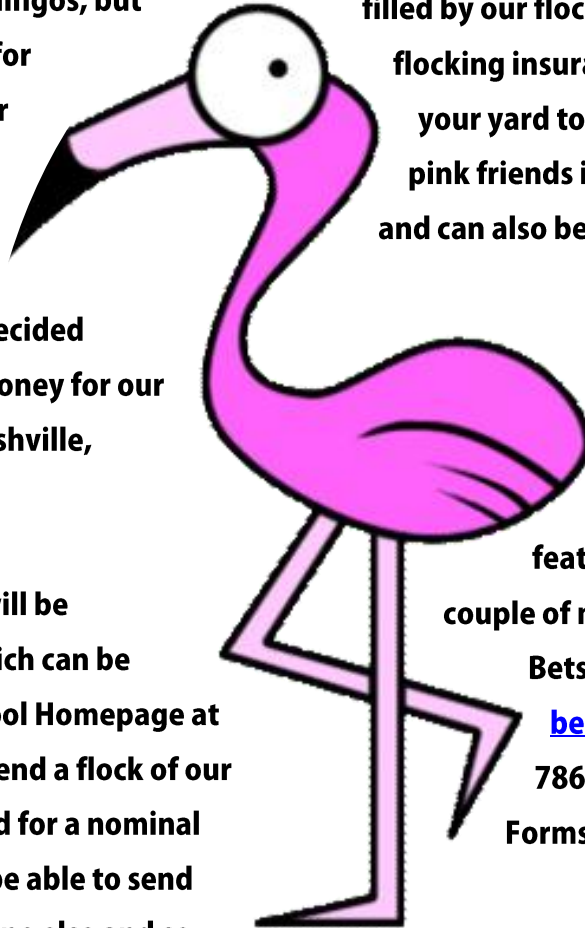

couple of months, please contact

Betsy Ewen at

Forms are preferred.
